

NOTICE TO PURCHASERS OF BUILDING PERMITS IN GOSHEN

As purchaser of a building permit in Goshen, AR, you should be aware that the available water supply may be inadequate to extinguish a fire of the size home you elect to build. You should acquaint yourself with the Arkansas State Fire Prevention Code as to the required water flow for your size home and the available water that has been determined to be available at your selected building site. *Further, you should provide this information to any prospective purchaser of the home.*

City Council City of Goshen, AR

I, _____, have received a copy of this notice and am aware of water situation in Goshen, Arkansas. If this home is not being built for a specific owner (& therefore no property owner signature below) I understand I am responsible for making the future purchaser of this home aware of this information.
